

TRANSBAY JOINT POWERS AUTHORITY

REQUEST FOR QUALIFICATIONS No. 17-05 CONSTRUCTION OF BUS STORAGE FACILITY

QUESTIONS & ANSWERS

1. *Q: Are there plans for this above referenced project?*

A: The TJPA anticipates issue for Bid Documents including plans sometime in December 2016 or January 2017.

2. *Q: When the time comes how are materials testing and special inspection (concrete, welding, bolting, etc) services being procured for this project? Does the TJPA have an on-call list or providers or will these services go out to bid as well?*

A: Material testing and special inspection have been previously awarded under Townsend Management Inc. Construction Management Services.

3. *Q: Is there a link to the Prequalification form(s) and/or the plans or drawings?*

A: Refer to the following link for RFQ forms:

<http://transbaycenter.org/rfp/construction-of-bus-storage-facility-rfq>

Refer to response to RFQ-Question 1 regarding plans.

4. *Q: Can you please tell me what the engineer's estimate is?*

A: Refer to page 5 of the RFQ 17-05, the anticipated value of the contract is less than \$20,000,000.00.
