Memorandum

To: TJPA Board of Directors

From: Franklin Wong, Chief Financial Officer

Date: For the Board Meeting of March 10, 2022

Re: Transbay Joint Powers Authority Quarterly Financial Reports

The following reports have been prepared as information items for the TJPA Board:

- 1. FY 2021-22 Second Quarter Budget vs. Actual Financial Report (Unaudited)
- 2. Status of Purchase Orders and Contracts Greater than \$25,000 as of December 31, 2021
- 3. Inception to December 31, 2021 Capital Expenditures and Funding Sources (Unaudited)
- 4. Status of Reserves

This memorandum describes the reports, which are provided for information only; no Board action is required.

1. FY 2021-22 Second Quarter Budget vs. Actual Financial Report

The TJPA Board approved the FY 2021-22 operating and capital budgets in June 2021. There has been one administrative amendment to the operating budget and two administrative amendments to the capital budgets, each approved by the Executive Director under TJPA Budget Policy.

Accounting reports have been summarized to show budget versus actual amounts for operating expenses, capital expenditures, debt service costs, and corresponding revenues and funding sources through the second quarter of fiscal year 2021-22 (October 1, 2021 through December 31, 2021), unaudited, for the operating and capital budgets. The FY 2021-22 second quarter budget versus actual financial report is Attachment 1.

2. Status of Purchase Orders and Contracts Greater than \$25,000 as of December 31, 2021

TJPA staff periodically reports to the Board on the status of contracts greater than \$25,000. As shown in Attachment 2, expenditures and expenses as of December 31, 2021, are within the contract certification amounts. Additional details for each contract are noted in the report.

Data on Disadvantaged and Small Business Enterprise (DBE/SBE) utilization is also included for each contract. With minimal amounts of FTA grants remaining for new contract awards, TJPA does not have a target DBE Participation Level for the three Federal Fiscal Years October 1, 2019 through September 30, 2022 but does have an SBE goal for the Program of 15%. There have been thirteen contracts awarded, as of December 31st, with SBE commitments during the three Federal Fiscal Years October 1, 2019 through September 30, 2022. \$5,826,233 has been paid to DBEs and SBEs for the Federal Fiscal Years 2019-22 (October 1, 2019 – September 30, 2022) thus far.

3. Inception to December 31, 2021 Capital Outlay and Funding Sources

The Inception to Date Capital Outlay and Funding Sources (unaudited) report (Attachment 3) provides an overview of the TJPA's capital outlay and funding sources from the beginning of the program through December 31, 2021, for both program phases. Summary level information is provided by major capital outlay category and funding source. This report does not include operating expenses or revenues.

4. Status of Reserves

The TJPA Board Policy defines four reserve categories Emergency Reserve, Fiscal Reserve, Operating & Maintenance Reserve and Capital Replacement Reserve. The Emergency Reserve and the Operations & Maintenance Reserve are accounted for in Operations while the Fiscal Reserve is accounted for in Capital. The Capital Replacement Reserve serves as a reserve for major replacement of life cycle repairs for the Transit Center. Finally, the Bond Indenture requires a Debt Service Reserve, which is reflected in the Debt Service Budget. For Fiscal Year 2021-22, in the Operating Funds, the Emergency Reserve was maintained in accordance with Policy at \$500,000. The Operating & Maintenance Reserve Policy goal of 25% of the total operating budget goal was modified with the adoption of the FY 2021-22 Operating Budget to the budgeted amount. The following table provides budgeted and current balances for the various reserves.

Reserve Status	I	Budgeted	FY	21-22 Q2 YTD	Difference	Description of Difference

Additionally, the Quarterly Investment Report for December 2021 was distributed to the Board and posted on the TJPA website under Financial Documents on January 31, 2022. TJPA investments were in compliance with the TJPA Investment Policy.

Footnotes:

1 Amount shown matches TJPA letter to OCII dated 7/9/21 as the amount of enforceable obligation under the Transbay Pledge Agreement for FY 2021/22. Actual amount depends on assessed values and other factors.

2 Represents amount held in the Debt Service Fund as of 8/13/21, source BNY 8/23/21. Includes amount held in account from prior period and tax increment received on 7/14/21 plus investment/interest earnings. Additional investment/interest may have accrued since 8/13/21. Note that 1 and 2 are not consistent in terms of timing; 1 is FY 2021/22 and 2 represents net tax increment paid in respect of FY 2020/21, although the second payment was received on 7/14/21 in FY 2021/22.

3 Debt service principal and interest payments were made on 10/1/21. Amounts were transferred to the senior and subordinate interest and principal accounts for such payments during Q1 of FY 2021/22 as required by the bond indenture. Payments include funds on hand and release of Debt Service Reserve.

4 The subordinate debt reserve fund required balance decreases over time as subordinate bond turbo payments are made. Excess cash held in the debt service reserve funds as a result of this and/or investment/interest earnings can be released. Cash released is used toward debt service payments. Amount shown represents the required balance as of 10/1/21 for both senior and subordinate debt service reserve funds.
