

Transbay Transit Center

Demolition Update

10 DAY LOOK AHEAD: Transbay Demolition and Construction Activities

Friday, January 28, 2011 – Sunday, February 6, 2011

THIS WEEK AT TRANSBAY...

WEEKEND WORK (1/29/11 – 1/30/11): Underground utility work will start on Howard at the intersection of Howard and Fremont between the hours of 8:00 AM and 7:00 PM Saturday and Sunday.

Underground utility work will continue along Minna Street between the hours of 8:00 AM and 5:00 PM Saturday.

Demolition activity will take place at the West Terminal Building and The Crusher/Conveyors will be set-up at the Center Terminal lot this weekend between the hours of 8:00 AM and 7:00 PM Saturday.

There will be a possibility of a water shutdown this weekend for properties on Minna Street in between First and Second Streets. The water department will notify you if your property is to be affected. For further questions or concerns please contact Eugene Shu at (415) 239-9384.

WEEKDAY WORK: Weekday work will take place between Monday, January 31, 2011 and Friday, February 4, 2011. All contractors will work between the hours of 7:00 AM and 11:00 PM.

Work to demolish the East Terminal building basement slab will continue into the month of February.

Work will continue into February in order to demolish the Center Terminal building. Demolition of the West Terminal building using the wrecking ball will continue into the month of February.

Underground utilities work will continue and include:

- Continued sewer trenching along Minna Street from First Street towards Second Street.
- Continued underground utilities work on Minna across Second Street.
- Continued water installation work along Beale Street from Mission to Howard Street.
- Continued water installation work along Howard Street from Fremont to First Street.
- Continued pothole activities on Natoma Street from First towards Second Street.

STREET AND SIDEWALK CLOSURE: Lane restrictions will remain on Minna Street and Natoma Streets between First and Second Street. All affected buildings will be granted full access to their parking garages and loading docks.

Lane restrictions will remain on both Fremont Street and First Street between Mission and Howard Street between the hours of 9:00 AM and 3:00 PM.

Lane restrictions will be in effect on Second Street at Minna Street between the hours of 9:00 AM and 3:00 PM.
