

STAFF REPORT FOR CALENDAR ITEM NO.: 12
FOR THE MEETING OF: April 9, 2015

TRANSBAY JOINT POWERS AUTHORITY

BRIEF DESCRIPTION

On February 15, 2007, the TJPA Board of Directors approved the appointment of the fifteen inaugural members to the TJPA Citizens Advisory Committee (TJPA CAC). The inaugural CAC meeting was held in April of 2007, and the newly appointed members drew lots to determine which would serve initial one year terms and which would serve full two year terms. The expiration of subsequent terms has been staggered accordingly. This year seven regular and three mid-term seats on the committee are open to be filled.

The TJPA CAC bylaws specify that members be selected to represent the following constituent categories:

1. Daily Caltrain Rider into San Francisco
2. Daily AC Transit Transbay Rider into San Francisco
3. Daily MUNI Rider on a line that terminates at or passes through the Transbay Terminal
4. Local Resident from District 6
5. Local Business from District 6
6. Environmentalist
7. Member of a Planning or Good-Government Non-Profit Organization
8. Representative from Labor
9. Bicycle Advocate
10. Disabled Advocate
11. San Francisco Based Public Transit Advocate
12. Regional Transit Advocate
13. Regional Transit Advocate
14. Member of the Citywide (San Francisco) Business Community
15. Member with Expertise in Real Estate Development or Real Estate Finance

The criteria for membership were established to ensure a qualified committee of regional stakeholders with a diverse array of knowledge and interest/advocacy aligned with the principal components that define the Program. Membership requires affiliation with at least one category, and the bylaws further specify that this mix of representation be preserved when replacement members are appointed to the CAC.

The TJPA solicited applications for new and returning members between February 2015 and March 2015. The TJPA received twenty applications including two current members who reapplied.

After reviewing all applications, staff is recommending that the Board of Directors reappoint two members to the CAC and appoint eight new members to fill seven regular and three mid-term seats:

1. Jason E. Smith	Daily Caltrain Rider into San Francisco
2. Robert Feinbaum	Daily AC Transit Transbay Rider into San Francisco
3. Alice Rogers	Local Resident from District 6
4. Helen Han	Local Business from District 6 (reappointed)
5. Lauren Post	Environmentalist (mid-term)
6. Charley Lavery	Representative from Labor
7. Paolo Cosulich-Schwartz	Bicycle Advocate (mid-term)
8. Paul Bendix	Disabled Advocate
9. Bruce Agid	Regional Transit Advocate (reappointed)
10. Sean McGarry	Regional Transit Advocate (mid-term)

APPLICATION SOLICITATION OUTREACH

Prior to forming the CAC, TJPA staff developed, and the TJPA Board of Directors approved, an application for membership that asks for qualifications for membership, a statement of the applicant's objectives and goals, and affiliation(s) and references. This same application has been used in soliciting new members.

The call for applications was posted on the TJPA website at www.transbaycenter.org/cac, distributed via e-mail to the 1,800 people on the TJPA outreach list, discussed at CAC meetings, circulated through SFMTA, AC Transit, and Caltrain, shared with TJPA Board members, published in citywide and community newspapers, and distributed to various community organizations including:

- San Francisco Chamber of Commerce

Finally, applications were available at the TJPA Office. The TJPA received applications via US Postal Service and e-mail.

APPLICATIONS RECEIVED

The TJPA received twenty applications from fourteen men, three women, and three undeclared. Fifteen applications are San Francisco residents, one is from the East Bay, one is from Santa Cruz, and three live on the Peninsula. The applicants included one Hispanic, ten Caucasian, three Asian, and six undeclared (did not indicate ethnicity).

RECOMMENDATIONS FOR APPOINTMENT TO THE TJPA CAC

The Staff recommends approval of candidates in the ten indicated categories, pursuant to Article 2, Section 4 of the Bylaws of the Transbay Joint Powers Authority Citizens Advisory Committee. The recommended members include six men, two women, and two not declared. Four applicants are Caucasian, one is Asian, and five are not declared. Seven of the recommended applicants are San Francisco residents, one is from Alameda County, and two are from San Mateo County.

NEXT STEPS

The attached resolution appoints the ten recommended applicants for membership on the TJPA CAC. Appointed members will be contacted and invited to the next meeting of the TJPA CAC, which will be held on May 12, 2015 at the TJPA offices at 201 Mission Street, Suite 2100.

Biography for Lauren A. Post

Lauren Post is a long-time San Franciscan and resident of the Transbay neighborhood, where she lives. Ms. Post has lived in San Francisco for 29 years in the Mission District, Cow Hollow, Russian Hill, and Transbay.

Ms. Post has worked professionally in politics and finance. She worked in the development office of the Sierra Club at its national headquarters in San Francisco; as a legislative assistant to Congressman Norman Mineta (D-San Jose) in Washington, D.C.; as a fundraiser for the Mondale-Ferraro presidential campaign in 1984; as Finance Director for the Women's Campaign Fund, a bipartisan political action committee that provided funding and electoral strategy to progressive women candidates nationwide; and in Phoenix, as National Finance Director for the presidential campaign of former Arizona Governor Bruce Babbitt.

Returning to California, Ms. Post attended business school at Stanford. After graduation she worked in San Francisco as a public finance investment banker for Rauscher Pierce Refsnes (now part of RBC Capital Markets), where she assisted school districts, cities, counties, redevelopment agencies, and special districts throughout the state with structuring and selling municipal bonds for public infrastructure and capital projects. Ms. Post then worked as a management consultant to Amgen, providing strategy to the company during its transition from a startup to the world's largest biotechnology concern.

Ms. Post returned to public finance in 2002. As Director of the Municipal Credit Group at Stone & Youngberg, she provided analysis and commentary on all types of municipal bonds issued by local governments in California, Arizona, and Nevada, and particularly on tax allocation bonds sold by redevelopment agencies (RDAs) and special tax bonds sold by community facilities districts (CFDs). Ms. Post briefed investors on a number of San Francisco RDA and CFD transactions, including bond issues for Mint Plaza, One Rincon, Market Street (Ritz Carlton Residences), Mission Bay North and South, Hunters Point Shipyard, and the city's other redevelopment project areas.

Ms. Post retired from Stone & Youngberg (now a division of Stifel) in 2013. Currently she is co-chair of the Steering Committee to form the Greater Rincon Hill Community Benefit District, which includes the temporary and new Transbay Transit Center properties; is a member of the San Francisco Office of Community Investment and Infrastructure (OCII) Transbay Citizens Advisory Committee

Ms. Post is a native Californian, reared in Marin County. She attended Brown University, graduated from Stanford University with a Bachelor of Arts degree in Political Science and History, and earned an M.B.A. degree from the Stanford Graduate School of Business.

On a personal note, Ms. Post's family has had several illustrious individuals involved in government and political journalism. Her great-grandfather, Rollin Kirby, was a three-time – and the first – winner of the Pulitzer Prize for editorial cartooning. Her grandfather, Langdon Post, was a New York State Assemblyman (D) and New York City's first Tenement Housing Commissioner, serving under Mayor Fiorello LaGuardia. Ms. Post's father, Rollin Post, was a television reporter and political commentator for four decades in San Francisco; he was considered the "dean" of political journalists for his generation.

Bruce Agid

Bruce is a native San Franciscan and has either lived or worked in the city a majority of his life. He grew up in the Sunset and Lakeshore Districts, and is a product of the public school system, graduating from Lowell High School. As a young adult he lived in Bernal Heights and Visitacion Valley before moving down the Peninsula. He and his wife moved back to San Francisco six years ago and currently live in Mission Bay.

Bruce is committed to giving back to his city. He is uniquely qualified to take a leadership role in shaping and influencing our city's future, understanding the city's history and present day challenges. Bruce is a member of SPUR's Transportation Policy Board, Board Chair of the Market Street Railway, Board member and transportation rep for the South Beach/Rincon Hill/Mission Bay Neighborhood Assn., Vice-Chair of the Transbay Joint Powers Authority (TJPA) Citizens Advisory Committee, member of the Central Subway Community Advisory Group, Co-lead of SFNexTstop.org (advocates for the extension of the Central Subway from Chinatown to Fisherman's Wharf), member of the Better Market Street CAC and Vice-President of the South Beach District 6 Democratic Club.

Bruce is currently employed by Energy Experts International as their Managing Director of Business Development, consulting with energy companies specializing in utility operations. Bruce is a versatile, highly qualified leader, skilled in developing strategies to deliver breakthrough performance and results.

Prior to utility consulting, Bruce worked at Pacific Gas & Electric (PG&E) for over 35 years serving local communities providing natural gas and electricity throughout Northern/Central California. He had a successful career, retiring in 2011 as a Director in Utility Operations. In this position, he led a highly complex project team responsible for the deployment of 20,000 telecommunications network nodes and 10 million gas and electric smart meters managing a budget of \$1.5 Billion. In addition, he led the change management and benefits realization programs encompassing the delivery of IT functionality and business process redesign resulting in improved levels of customer service, reductions in operating expenses and increased labor efficiencies.

Bruce developed his broad utility experience through leadership assignments in Gas and Electric Field Services, Electric Switching Center Operations, Call Center Operations, Local Office Customer Service and Meter Reading. Bruce has a Bachelor of Science Degree in Business Administration from San Francisco State University and earned a green belt certification in Lean Six Sigma Methodology.
