

**STAFF REPORT FOR CALENDAR ITEM NO.: 13
FOR THE MEETING OF: March 8, 2018**

TRANSBAY JOINT POWERS AUTHORITY

BRIEF DESCRIPTION

On February 15, 2007, the TJPA Board of Directors approved the appointment of the fifteen inaugural members to the TJPA Citizens Advisory Committee (TJPA CAC). The inaugural CAC meeting was held in April of 2007, and the newly appointed members drew lots to determine which would serve initial one year terms and which would serve full two year terms. The expiration of subsequent terms has been staggered accordingly. This year eight regular seats and two mid-term seats on the committee are open to be filled.

The TJPA CAC bylaws specify that members be selected to represent the following constituent categories:

1. Daily Caltrain Rider into San Francisco
2. Daily AC Transit Transbay Rider into San Francisco
3. Daily MUNI Rider on a line that terminates at or passes through the Transbay Terminal
4. Local Resident from District 6
5. Local Business from District 6
6. Environmentalist
7. Member of a Planning or Good-Government Non-Profit Organization
8. Representative from Labor
9. Bicycle Advocate
10. Disabled Advocate
11. San Francisco Based Public Transit Advocate
12. Regional Transit Advocate
13. Regional Transit Advocate
14. Member of the Citywide (San Francisco) Business Community
15. Member with Expertise in Real Estate Development or Real Estate Finance

The criteria for membership were established to ensure a qualified committee of regional stakeholders with a diverse array of knowledge and interest/advocacy aligned with the principal components that define the Program. Membership requires affiliation with at least one category, and the bylaws further specify that this mix of representation be preserved when replacement members are appointed to the CAC. The TJPA solicited applications for new and returning members between January 2018 and March 2018. The TJPA received ten applications including five current members who reapplied.

After reviewing all applications, staff is recommending that the Board of Directors reappoint five members to the CAC and appoint five new members to fill the ten open seats:

Summary of Qualification – Gloria (Wing Tung) Li

As a long term resident of the transit center area, I have witnessed the evolution of this beautiful terminal since 2011. Like many of my neighbors, I have been affected by the construction, the traffic, and the street closures, but am extremely excited to see something of this scale serve the Greater Bay Area. Previously, I lived in populated and public transit dependent cities like Hong Kong, Beijing, and New York City.

I frequently commute to and from work on the Muni or BART, walking to the Embarcadero Station from my apartment and taking it to Civic Center where my office is located. I also commute around the City and the Bay Area as part of my role as the District Director for the elected Board of Equalization member to meet with business owners, chambers, and state and local officials. Working with business owners and being married to a business owner myself, makes me aware and sympathetic to positive and negative impact of the construction as well as traffic that has been created in the district. It has also made me consider strategic ways to reduce the stress on residents and businesses around the transit center.

As the District Director for an elected member of California, I have worked with constituents and businesses find effective and efficient ways to resolve their cases. I am extremely active in the community and involved in many organizations such as the San Francisco Chamber. I am an elected HOA Director that serves over 650 units two blocks away from the Transit Center.
