

**STAFF REPORT FOR CALENDAR ITEM NO.: 10
FOR THE MEETING OF: March 14, 2019**

TRANSBAY JOINT POWERS AUTHORITY

BRIEF DESCRIPTION

On February 15, 2007, the TJPA Board of Directors approved the appointment of the fifteen inaugural members to the TJPA Citizens Advisory Committee (TJPA CAC). The inaugural CAC meeting was held in April of 2007, and the newly appointed members drew lots to determine which would serve initial one year terms and which would serve full two year terms. The expiration of subsequent terms has been staggered accordingly. This year seven regular seats and one mid-term seat on the committee are open to be filled.

The TJPA CAC bylaws specify that members be selected to represent the following constituent categories:

1. Daily Caltrain Rider into San Francisco
2. Daily AC Transit Transbay Rider into San Francisco
3. Daily MUNI Rider on a line that terminates at or passes through the Transbay Terminal
4. Local Resident from District 6
5. Local Business from District 6
6. Environmentalist
7. Member of a Planning or Good-Government Non-Profit Organization
8. Representative from Labor
9. Bicycle Advocate
10. Disabled Advocate
11. San Francisco Based Public Transit Advocate
12. Regional Transit Advocate
13. Regional Transit Advocate
14. Member of the Citywide (San Francisco) Business Community
15. Member with Expertise in Real Estate Development or Real Estate Finance

The criteria for membership were established to ensure a qualified committee of regional stakeholders with a diverse array of knowledge and interest/advocacy aligned with the principal components that define the Program. Membership requires affiliation with at least one category, and the bylaws further specify that this mix of representation be preserved when replacement members are appointed to the CAC. The TJPA solicited applications for new and returning members beginning January 2019 through February 2019. The TJPA received twelve applications including five current members who reapplied.

After reviewing all applications, staff is recommending that the Board of Directors reappoint five members to the CAC and appoint three new members to fill the eight open seats:

- | | |

| 1. Belal Yousaf Aftab | Daily Caltrain Rider into San Francisco (reappointed) |

THE EAST CUT

Andrew Robinson is the Executive Director of The East Cut Community Benefit District (CBD), leading public space enhancements and improving the quality of life in San Francisco's fastest growing neighborhood. Andrew is the first Executive Director of The East Cut CBD, and began in February of 2016.

At the helm of the CBD, Robinson is working to ensure that the district's public realm, community amenities, and services keep pace with the area's rapid transformation. In a district that spans from 2nd Street east to Steuart Street, and from Mission south to Bryant Street, the CBD provides critical services around homelessness, street cleanliness, security, community culture and vitality, and ultimately makes sure citizen voices are heard as we shape the fastest-growing and most exciting neighborhood in the City. The district's energy will only continue to grow with the re-opening of Salesforce Transit Center, which during its brief initial tenure drew thousands of passengers a day, and provided this dense area of the city with much-needed breathing room via its CBD-funded 5.4-acre rooftop garden.

Prior to leading The East Cut CBD, Robinson was associate director at the Yerba Buena Community Benefit District, where he led the Yerba Buena Street Life Plan, facilitated the development of a neighborhood public art program, and collaborated with the City and the Exploratorium to install interactive exhibits along Market Street.

I have been a regular rider of the 25 Treasure Island bus for 18 years. I ride it at least twice a day,
both in and outbound, most days of the week. I am very knowledgeable of how the Transbay
Terminal (old, temporary, and new) serves as the primary nexus point for the island community
in a way that is unique and unlike any other MUNI line or SF neighborhood that it serves.
