# Transit Ridership

AC Transit at Salesforce Transit Center  
2022 in Review

AC Transit, February 2, 2023

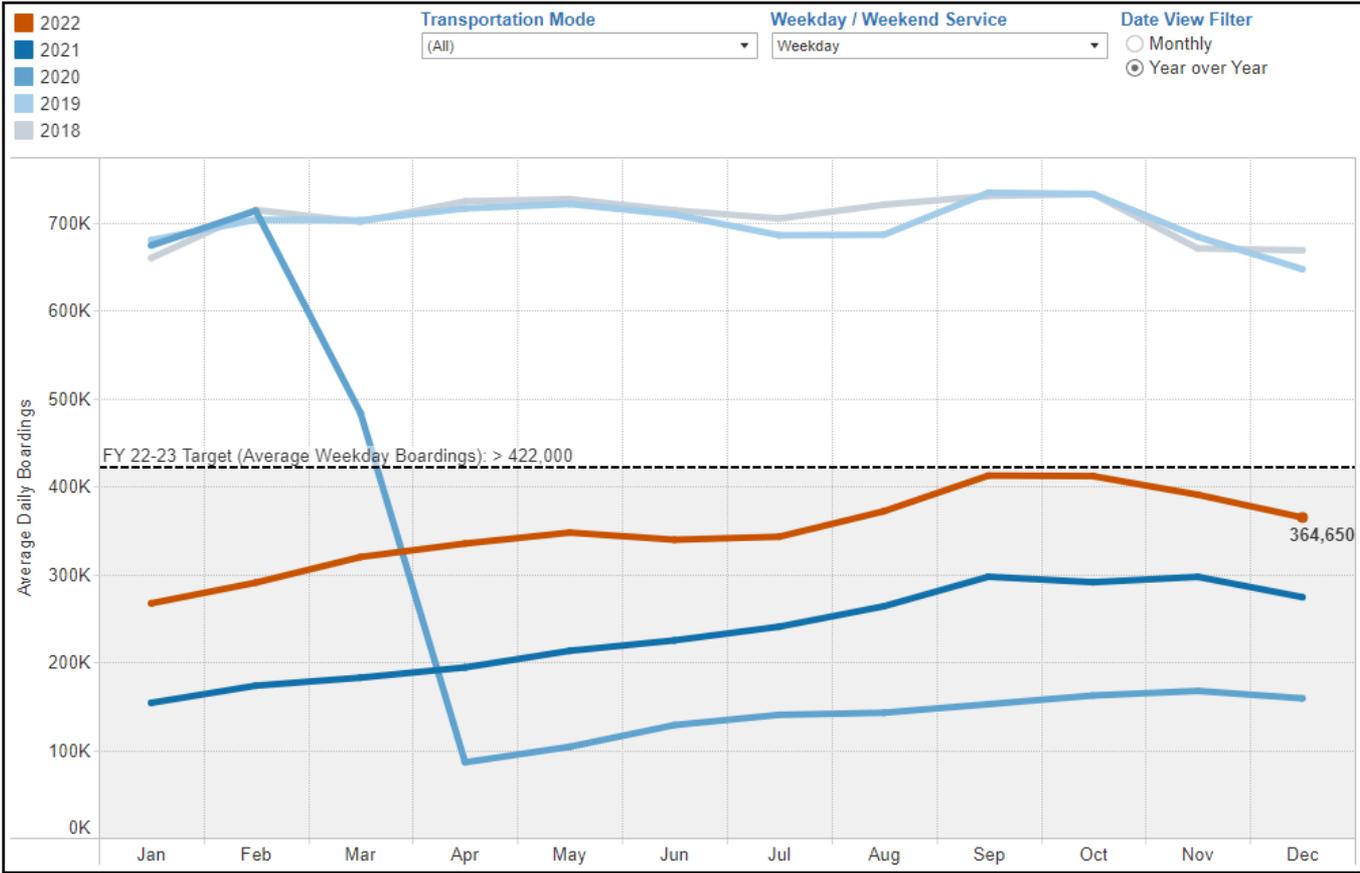

*When gas prices spiked in March 2022, ridership increased significantly. Despite reductions in gas prices, ridership does not appear to have tapered off as the year progressed, except for the usual seasonal differences (i.e. holidays in November and December).*

# Transit Ridership

## Muni ridership: average weekday ridership(citywide)
