

Project Notice

Land Surveys along Downtown Rail Extension/The Portal alignment

This important work is part of the Transbay Joint Powers Authority's (TJPA) The Portal, known also as the Downtown Rail Extension (DTX)/The Portal project, to extend Caltrain commuter rail from its current terminus at Fourth and King streets and provide blended California High-Speed Rail service to the TJPA's Salesforce Transit Center in downtown San Francisco.

What?

The TJPA through its subcontractor, Parsons / Chaudhary & Associates will be conducting land surveys of existing street conditions for the design of The Portal.

Where?

- Beale Street Between Mission & Howard Streets
- Along 2nd, 4th, 5th, 7th Streets
- Townsend Street between 4th and 7th Streets
- Mission Bay Dr, Howard Street and 16th Street

When and What Time?

Monday, June 19, 2023 to Monday, July 17, 2023 from 7:00 a.m. to 4:00 p.m.

(Note: Due to unforeseen circumstances, this schedule is subject to change without notice.)

What Does This Mean to You?

- There may be survey crews set up with a tripod in bike lanes or sidewalks, which may be temporarily unusable while surveyors are taking measurements.
- Traffic control will be provided where the work encroaches traffic lanes (when required).

What Can You Expect?

A survey crew of up to three individuals may be present with the survey equipment and support vehicles such as pickup truck and passenger vehicles.

What is Land Surveying?

Land surveying includes surveying of areas for their correct determination and description and for conveyancing, or for the establishment or reestablishment of land boundaries and the plotting of lands and subdivisions.
