## Memorandum

**To:** TJPA Board of Directors

**From:** Shima Mirzaei, Chief Financial Officer **Date:** For the Board Meeting of June 13, 2024

**Re:** Transbay Joint Powers Authority Quarterly Financial Reports

The following reports have been prepared as information items for the TJPA Board:

- 1. Fiscal Year (FY) 2023-24 First and Second Quarters Budget vs. Actual Financial Report (Unaudited)
- 2. Status of Purchase Orders and Contracts Greater than \$25,000 as of December 31, 2023
- 3. Inception to Date as of December 31, 2023, Capital Expenditures and Funding Sources (Unaudited)
- 4. Status of Reserves as of December 31, 2023

This memorandum describes the reports provided for information only; no Board action is required.

### 1. FY 2023-24 First and Second Quarters Budget vs. Actual Financial Report

The TJPA Board approved the FY 2023-24 operating and capital budgets in June 2023. Accounting (unaudited) reports have been summarized in Attachment 1 to show budget versus actual amounts for operating expenses, capital expenditures, debt service costs, and corresponding revenues and funding sources through the first and second quarters of FY 2023-24.

#### 2. Status of Purchase Orders and Contracts Greater than \$25,000 as of December 31, 2023

TJPA staff periodically reports to the Board on the status of contracts greater than \$25,000. Additional details for each contract are noted in Attachment 2.

Each contract includes Disadvantaged and Small Business Enterprises (DBE/SBE) data. TJPA has a target DBE participation goal of 17% and a Program SBE goal of 20.5% for the three Federal fiscal years, October 1, 2022, through September 30, 2025. Through the December 31, 2023, quarter, TJPA has paid \$5,150,239 to DBE firms and \$4,446,451 to SBE firms.

### 3. Inception to Date as of December 31, 2023, Capital Outlay and Funding Sources

The Inception to Date Capital Outlay and Funding Sources (unaudited) report, as displayed in Attachment 3, provides an overview of the TJPA's capital budget and funding sources from the beginning of the program through December 31, 2023. Summary-level information is provided by major capital outlay categories and funding sources. This report does not include operating expenses or revenues.

#### 4. Status of Reserves

The TJPA Board Policy defines four reserve categories: Emergency Reserve, Fiscal Reserve, Operating & Maintenance Reserve, and Capital Replacement Reserve. The Emergency Reserve is funded at the Board-adopted level of \$500,000. Due to a calculation error in the FY2023-24 budget, the Operation & Maintenance budget was overstated. This error was fixed through an amendment to the budget. The Operations & Maintenance Reserve is funded at the level approved in the amended budget. The Fiscal Reserve is part of the capital budget and is funded at the levels approved in the FY 2022-23 budget. The Capital Replacement Reserve was established to fund major capital replacement or life cycle repairs for the Transit Center. Finally,

the Bond Indenture requires a Debt Service Reserve as reflected in the Debt Service Budget. The following table provides budgeted and current balances for the various reserves.

Reserve Status	Budgeted Amount	FY23-24 Q1 YTD	FY23-24 Q2 YTD	Difference	Description of Difference
