

PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT ("Agreement") is entered into as of the ___ day of ____ 20___, by and between the TRANSBAY JOINT POWERS AUTHORITY ("TJPA") and Contractor Name ("Attorney").

Recitals

A. The TJPA requires Construction Legal Counsel Services for the Transbay Program ("Program").

B. The Attorney submitted a written proposal ("Proposal") in response to the TJPA's Request for Proposals ("RFP"). Based on that Proposal, the TJPA's selection committee determined the Attorney to be the highest-ranked respondent to the RFP and the TJPA invited the Attorney for exclusive negotiations. This Agreement is the product of those negotiations.

C. The Attorney represents and warrants that it is qualified to perform the services required by this Agreement as set forth in Appendix A Scope of Services.

D. The TJPA and the Attorney intend that this Agreement comply with the regulations of the United States Department of Transportation ("USDOT") and certain contracting requirements of the City and County of San Francisco (the "City").

E. On _____, 20___, the TJPA Board of Directors adopted Resolution No. _____ authorizing the TJPA's Executive Director to execute this Agreement with the Attorney.

Now, THEREFORE, the parties agree as follows:

1. Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation

a. Charges under this Agreement will accrue only after prior written authorization certified by the TJPA's Chief Financial Officer and services under contract shall not commence prior to the Chief Financial Officer's issuance of a Notice to Proceed (NTP). The amount of the TJPA's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization.

b. This Agreement will terminate without penalty, liability or expense of any kind to the TJPA at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the fiscal year for which funds are appropriated.

c. The TJPA has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements or Program costs. The TJPA's budget decisions are subject to the discretion of the TJPA Board of Directors. The Attorney's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

2. Term of the Agreement

Subject to Section 1, the term of this Agreement shall be for four (4) years from the Effective Date of the Agreement, as described in Section 3, “Effective Date of Agreement,” provided that the TJPA shall have the right to extend this Agreement three (3) additional consecutive terms of one (1)-year each at the identical terms set forth in this Agreement, except for any terms that are modified by the mutual agreement of the parties, for a total contract term of seven (7) years. The TJPA may exercise an extension option at the TJPA’s sole and absolute discretion by providing to the Attorney written notice of such extension on or before the expiration date of this Agreement.

3. Effective Date of Agreement

The effective date of this Agreement shall be the date on which the Agreement is fully executed by all required parties (“Effective Date”).

4. Authorization to Commence Work.

The Attorney shall not commence any work under this Agreement until the Chief Financial Officer has certified the availability of funds and has issued formal written authorization to proceed in the form of an NTP. Such authorization may be for a partial or full scope of work.

5. Services the Attorney Agrees to Perform

The Attorney agrees to perform the services listed in Appendix A, Scope of Services, attached hereto and incorporated by reference as though fully set forth within. TJPA representatives are not authorized to request, and the TJPA is not required to reimburse the Attorney for, service beyond the scope of Appendix A, unless the changed scope is authorized by written amendment and approved as required by law. Each NTP shall relate to a specified part of the services, and a not-to-exceed maximum price under that NTP. No NTP can be amended, except in writing and signed by an authorized representative of the TJPA.

To minimize the potential for a conflict of interest or unfair competitive advantage, the Attorney agrees that it shall not enter into a contract with any property owner with respect to any property that is planned for acquisition by the TJPA on Appendix E attached hereto, and any properties that are subsequently added to this list.

6. Compensation

a. All work under this Agreement shall be compensated on an as-needed and hourly basis, subject to any maximum price set forth in a particular NTP. In no event shall the total compensation under this Agreement exceed _____ Dollars (\$_____). The breakdown of the Attorney’s fees appears in Appendix B, Calculation of Charges.

b. Hourly rates for services are to remain fixed during the entire contract period, including any option periods, pursuant to Appendix B.

c. No charges shall be incurred under this Agreement nor shall any payments become due to the Attorney until the services required under this Agreement are received from the Attorney and approved by the Chief Financial Officer as being in accordance with this Agreement. The TJPA may withhold payment to the Attorney in any instance in which the Attorney has failed or refused to satisfy any material obligation provided for under this Agreement.

- d. In no event shall the TJPA be liable for interest or late charges for any late payments.

7. Guaranteed Maximum Costs

a. The TJPA's payment obligation hereunder shall not at any time exceed the amount certified by the Chief Financial Officer for the purpose and period stated in such certification, or the maximum price set forth in an NTP with respect to the work covered under that NTP.

b. Except as may be provided by laws governing emergency procedures, TJPA representatives are not authorized to request, and the TJPA is not required to reimburse the Attorney for, commodities or services in excess of the price set forth in an NTP and in excess of the total compensation under this Agreement as stated in Section 6, "Compensation," unless the changed scope is authorized by written amendment and approved as required by law.

c. TJPA representatives are not authorized to offer or promise, nor is the TJPA required to honor, any offered or promised additional funding in excess of the maximum amount of funding for which the contract or NTP is certified without certification of the additional amount by the Chief Financial Officer.

d. The Chief Financial Officer is not authorized to make payments on any contract or NTP for which funds have not been certified as available in the budget or by supplemental appropriation.

8. Payment

Invoices furnished by the Attorney under this Agreement must be in a form acceptable to the TJPA and must include a unique invoice number. Invoices shall include the first and last day of a calendar month and be submitted within thirty (30) days of the end of said calendar month. The Attorney must submit required DBE/SBE Progress Payment Reports with every invoice. Compensation shall be made for services identified in the invoice that the TJPA Chief Financial Officer, in their sole discretion, concludes have been satisfactorily performed. Services that do not conform to the requirements of this Agreement may be rejected by the TJPA and in such case must be replaced by the Attorney without delay at no cost to the TJPA. If the Attorney fails to provide the services in accordance with the Attorney's obligations under this Agreement, the TJPA may withhold any and all payments due the Attorney until such failure to perform is cured, and the Attorney shall not stop work as a result of the TJPA's withholding of payments as provided herein. All amounts paid to the Attorney shall be subject to audit by the TJPA.

The TJPA shall make payment to the Attorney at the address specified in Section 24, "Notices to the Parties."

9. Submitting False Claims; Monetary Penalties

Pursuant to San Francisco Administrative Code Section 21.35, any contractor, subcontractor, or consultant who submits a false claim shall be liable to the TJPA for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the TJPA if the contractor, subcontractor or consultant (a) knowingly presents or causes to be presented to an officer or employee of the TJPA a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the TJPA; (c) conspires to defraud the TJPA by getting a false claim allowed or paid by the TJPA; (d)

knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the TJPA; or (e) is a beneficiary of an inadvertent submission of a false claim to the TJPA, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the TJPA within a reasonable time after discovery of the false claim.

10. Disallowance; Suspension and Debarment

If the Attorney claims or receives payment from the TJPA for a service, reimbursement for which is later disallowed by the State of California or United States Government, the Attorney shall promptly refund the disallowed amount to the TJPA upon the TJPA's request. At its option, the TJPA may offset the amount disallowed from any payment due or to become due to the Attorney under this Agreement or any other Agreement.

By executing this Agreement, the Attorney certifies that the Attorney is not suspended, debarred or otherwise excluded from participation in federal assistance programs. The Attorney acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

11. Taxes

Except for any applicable California sales and use taxes charged by the Attorney to the TJPA, the Attorney shall pay all taxes, including possessory interest taxes, levied upon or as a result of this Agreement, the transaction, or the services delivered pursuant hereto.

12. Payment Does Not Imply Acceptance of Work

The granting of any payment by the TJPA, or the receipt thereof by the Attorney, shall in no way lessen the liability of the Attorney to correct or revise unsatisfactory work, even though the unsatisfactory character of such work may have been apparent or detected at the time such payment was made.

13. Qualified Personnel

The Attorney warrants to the TJPA that the services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the services are performed so as to ensure that all services performed are correct and appropriate for the purposes contemplated in this Agreement. The Attorney represents and warrants to the TJPA that the Attorney is qualified to perform the services as contemplated by this Agreement. The Attorney further represents and warrants to the TJPA that it has all required licenses and approvals to perform the work contemplated by this Agreement, and that all work performed under this Agreement shall be performed only by personnel under the supervision and in the employment of the Attorney. All personnel engaged in the work shall be fully qualified and shall be authorized, licensed and certified under state and local law to perform such work if authorization, licensing or certification is required. The persons performing professional services under this Agreement on behalf of the Attorney are shown in Appendix A, and shall not be changed or substituted without the prior written consent of the TJPA. All personnel, including those assigned at the TJPA's request, must be supervised by the Attorney. The Attorney shall commit adequate resources to complete the project within the project schedule specified in this Agreement.

14. Responsibility for Equipment

The TJPA shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by the Attorney, or by any of its employees, even though such equipment be furnished, rented or loaned to the Attorney by the TJPA.

15. Independent Contractor, Payment of Taxes and Other Expenses

a. Independent Contractor

The Attorney or any agent or employee of the Attorney shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by the TJPA under this Agreement. The Attorney or any agent or employee of the Attorney shall neither have employee status with the TJPA nor be entitled to participate in any plans, arrangements, or distributions by the TJPA pertaining to or in connection with any retirement, health or other benefits that the TJPA may offer its employees. The Attorney or any agent or employee of the Attorney is liable for the acts and omissions of itself, its employees and its agents. The Attorney shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to Federal Insurance Contributions Act (FICA), income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to the Attorney's performing services and work, or any agent or employee of the Attorney providing same. Nothing in this Agreement shall be construed as creating an employment or joint venture relationship between the TJPA and the Attorney.

Any terms in this Agreement referring to direction from the TJPA shall be construed as providing for direction as to policy and the result of the Attorney's work only, and not as to the means by which such a result is obtained; the TJPA does not retain the right to control the means or the method by which the Attorney performs work under this Agreement.

b. Payment of Taxes and Other Expenses

Should the TJPA, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that the Attorney is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by the Attorney that can be applied against this liability). The TJPA shall then forward those amounts to the relevant taxing authority.

Should a relevant taxing authority determine a liability for past services performed by the Attorney for the TJPA, upon notification of such fact by the TJPA, the Attorney shall promptly remit such amount due or arrange with the TJPA to have the amount due withheld from future payments to the Attorney under this Agreement (again, offsetting any amounts already paid by the Attorney which can be applied as a credit against such liability).

A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement. The Attorney shall not be considered an employee of the TJPA. Notwithstanding the foregoing, the Attorney agrees to indemnify and save harmless the TJPA and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this Agreement.

16. Insurance

a. Without in any way limiting the Attorney's other indemnification obligations under this

Agreement, the Contractor must maintain in force, during the full term of the Agreement, insurance with coverages at least as broad as the following amounts and coverages.

(1) If required under California law, Worker's Compensation, in statutory amounts, with Employers' liability limits not less than \$1,000,000 each accident, injury, or illness; and

(2) Commercial General Liability Insurance on an occurrence basis, with limits not less than \$2,000,000 each occurrence for Bodily Injury, Property Damage, Contractual Liability, Personal and Advertising Injury, Products and Completed Operations; and

(3) Business Automobile Liability Insurance with limits not less than \$1,000,000 per accident for Bodily Injury (including death), Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable; and

(4) Professional Liability Insurance with limits not less than \$2,000,000 each claim, with respect to negligent acts, errors or omissions in connection with professional services to be provided under this Agreement.

(5) NOT APPLICABLE. Umbrella Liability Insurance with limits not less than \$10,000,000 each occurrence and \$10,000,000 aggregate, which coverage shall respond in excess of the coverage described in Section 16(a)(2) and Section 16(a)(3) above.

b. Commercial General Liability and Business Automobile Liability Insurance policies must provide the following:

(1) Name as Additional Insured the entities indicated in Appendix C, Additional Insureds.

(2) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

c. The Attorney shall provide thirty (30) days' advance written notice to the TJPA of cancellation of coverages for any reason. Notices shall be sent to the address specified in Section 24, "Notices to the Parties."

d. Should any of the required insurance be provided under a claims-made form, the Attorney shall maintain such coverage continuously throughout the term of this Agreement, and without lapse, for a period of three (3) years beyond the expiration of this Agreement, to the effect that, should occurrences during the agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

e. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

f. Should any required insurance lapse during the term of this Agreement, requests for payment originating after such lapse shall not be processed until the TJPA receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the TJPA may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

g. Before commencing any operations under this Agreement, the Attorney shall furnish to the TJPA certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A.M. Best A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to the TJPA, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

h. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the TJPA for all work performed by the Attorney, its employees, agents and subcontractors.

i. Approval of the insurance by the TJPA shall not relieve or decrease the liability of the Attorney under this Agreement. If the Attorney maintains broader coverage and/or higher limits than the minimums shown above, the TJPA requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Attorney. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the TJPA.

j. If the Attorney will use any subcontractor(s) to provide the services, the Attorney shall require the subcontractor(s) to provide all necessary insurance and to name as Additional Insured the entities indicated in Appendix C.

17. Indemnification

a. General Indemnity

The Attorney shall indemnify and hold harmless the TJPA and its officers, directors, agents and employees from, and if requested shall defend them from and against, any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) caused by the negligent or wrongful acts of Attorney in connection with the performance of its services under this Agreement. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and the TJPA's costs of investigating any claims against the TJPA.

In addition to the Attorney's obligation to indemnify the TJPA, the Attorney specifically acknowledges and agrees that it has an immediate and independent obligation to defend the TJPA from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to the Attorney by the TJPA and continues at all times thereafter.

18. Incidental and Consequential Damages

The Attorney shall be responsible for incidental and consequential damages to the TJPA resulting in whole or in part from the Attorney's negligent or wrongful acts in connection with the performance of the services under this Agreement.

19. Liability of TJPA

The TJPA's payment obligations under this agreement shall be limited to the payment of the compensation provided for in Section 6, "Compensation." Notwithstanding any other provision of this Agreement, in no event shall the TJPA be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits, arising out of or in connection with this Agreement or the services performed in connection with this Agreement.

20. Omitted. Liquidated Damages

By entering into this Agreement, the Contractor agrees that in the event the Services are delayed beyond the scheduled milestones and timelines as provided in Appendix A, the TJPA will suffer actual damages that will be impractical or extremely difficult to determine; further, the Contractor agrees that the sum of _____ Dollars (\$_____) per day for each day of delay beyond scheduled milestones and timelines is not a penalty, but is a reasonable estimate of the loss that the TJPA will incur based on the delay, established in light of the circumstances existing at the time this contract was awarded. The TJPA may deduct a sum representing the liquidated damages from any money due to the Contractor. Such deductions shall not be considered a penalty, but rather agreed monetary damages sustained by the TJPA because of the Contractor's failure to deliver to the TJPA within the time fixed or such extensions of time permitted in writing by the TJPA.

21. Termination for Default; Remedies

a. Each of the following shall constitute an event of default ("Event of Default") under this Agreement.

(1) The Attorney fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement: Payment; Submitting False Claims, Monetary Penalties; Taxes; Insurance; Indemnification; Proprietary or Confidential Information of the TJPA; Protection of Private Information; Assignment; Drug-Free Workplace Policy; Compliance With Laws; USDOT Requirements.

(2) The Attorney fails or refuses to perform or observe any other term, covenant or condition contained in this Agreement, and such default continues for a period of ten (10) days after written notice thereof from TJPA to the Attorney.

(3) The Attorney (a) is generally not paying its debts as they become due, (b) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (c) makes an assignment for the benefit of its creditors, (d) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of the Attorney or of any substantial part of the Attorney's property, or (e) takes action for the purpose of any of the foregoing.

(4) A court or government authority enters an order (a) appointing a custodian, receiver, trustee or other officer with similar powers with respect to the Attorney or with respect to any substantial part of the Attorney's property, (b) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, or (c) ordering the dissolution, winding-up or liquidation of the Attorney.

b. On and after any Event of Default, the TJPA shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, the TJPA shall have the right (but no obligation) to cure (or cause to be cured) on behalf of the Attorney any Event of Default; the Attorney shall pay to the TJPA on demand all costs and expenses incurred by the TJPA in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. The TJPA shall have the right to offset from any amounts due to the Attorney under this Agreement or

any other agreement between the TJPA and the Attorney all damages, losses, costs or expenses incurred by the TJPA as a result of such Event of Default and any liquidated damages due from the Attorney pursuant to the terms of this Agreement or any other agreement.

c. All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

22. Termination for Convenience

a. The TJPA shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience when it is in the TJPA's best interest, which best interest shall be determined at the TJPA's sole discretion. The TJPA shall exercise this option by giving the Attorney written notice of termination. The notice shall specify the date on which termination shall become effective.

b. Upon receipt of the notice, the Attorney shall commence and perform, with diligence, all actions necessary on the part of the Attorney to effect the termination of this Agreement on the date specified by the TJPA and to minimize the liability of the Attorney and the TJPA to third parties as a result of termination. All such actions shall be subject to the prior approval of the TJPA. Such actions shall include, without limitation:

(1) Halting the performance of all services and other work under this Agreement on the date(s) and in the manner specified by the TJPA.

(2) Not placing any further orders or subcontracts for materials, services, equipment or other items.

(3) Terminating all existing orders and subcontracts.

(4) At the TJPA's direction, assigning to the TJPA any or all of the Attorney's right, title and interest under the orders and subcontracts terminated. Upon such assignment, the TJPA shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(5) Subject to the TJPA's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(6) Completing performance of any services or work that the TJPA designates to be completed prior to the date of termination specified by the TJPA.

(7) Taking such action as may be necessary, or as the TJPA may direct, for the protection and preservation of any property related to this Agreement which is in the possession of the Attorney and in which the TJPA has or may acquire an interest.

c. Within thirty (30) days after the specified termination date, the Attorney shall submit to the TJPA an invoice, which shall set forth the reasonable cost to the Attorney for all services and other work the TJPA directed the Attorney to perform prior to the specified termination date, for which services or work the TJPA has not already tendered payment. The costs shall be determined as provided in Section 6, "Compensation," and shall be invoiced as provided in Section 8, "Payment." The Attorney may also recover the reasonable cost of preparing the invoice.

d. In no event shall the TJPA be liable for costs incurred by the Attorney or any of its subcontractors after the termination date specified by the TJPA, except for those costs specifically enumerated and described in the immediately preceding subsection (c). Such non-recoverable costs include, but are not limited to, anticipated profits on this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under such subsection (c).

e. In arriving at the amount due to the Attorney under this Section, the TJPA may deduct (1) all payments previously made by the TJPA for work or other services covered by the Attorney's final invoice; (2) any claim which the TJPA may have against the Attorney in connection with this Agreement; (3) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection (d); and (4) in instances in which, in the opinion of the TJPA, the cost of any service or other work performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected services or other work, the difference between the invoiced amount and the TJPA's estimate of the reasonable cost of performing the invoiced services or other work in compliance with the requirements of this Agreement.

f. The TJPA's payment obligation under this Section shall survive termination of this Agreement.

23. Rights and Duties Upon Termination or Expiration

a. This Section and the following Sections of this Agreement shall survive termination or expiration of this Agreement: Submitting False Claims, Monetary Penalties; Disallowance; Suspension and Debarment; Taxes; Payment Does Not Imply Acceptance of Work; Responsibility for Equipment; Independent Attorney, Payment of Taxes and Other Expenses; Insurance; Indemnification; Incidental and Consequential Damages; Liability of TJPA; Proprietary or Confidential Information of the TJPA; Protection of Private Information; Notices to the Parties; Ownership of Results; Works for Hire; Audit and Inspection of Records; Non-Waiver of Rights; Limitations on Contributions; Modification of Agreement; Administrative Remedy for Agreement Interpretation; Agreement Made in California, Venue; Construction; Entire Agreement; Severability; USDOT Requirements; Prompt Payment to Subcontractors.

b. Subject to the immediately preceding subsection (a), upon termination of this Agreement prior to expiration of the term specified in Section 2, "Term of Agreement," this Agreement shall terminate and be of no further force or effect. The Attorney shall transfer title to the TJPA, and deliver in the manner, at the times, and to the extent, if any, directed by the TJPA, any work in progress, completed work, supplies, equipment, and other materials produced as a part of, or acquired in connection with the performance of this Agreement, and any completed or partially completed work which, if this Agreement had been completed, would have been required to be furnished to the TJPA. This subsection shall survive termination of this Agreement.

25. Proprietary or Confidential Information of the TJPA

The Attorney agrees that all information disclosed by the TJPA to the Attorney shall be held in confidence and used only in performance of this Agreement, except to the extent the use or disclosure is: (i) authorized by this Agreement; (ii) made after the Attorney receives advance written approval from the TJPA; or (iii) required by law or judicial order.

26. San Francisco Protection of Private Information

a. If this Agreement requires the TJPA to disclose “Private Information” to the Attorney within the meaning of San Francisco Administrative Code Chapter 12M, the Attorney and subcontractor shall use such information only in accordance with the restrictions stated in Chapter 12M and in this Agreement and only as necessary in performing the services. The Attorney is subject to the enforcement and penalty provisions in Chapter 12M.

27. News Releases/Interviews

All Attorney news releases, media interviews, testimony at hearings and public comment relating to the Transbay Program shall be prohibited unless expressly authorized by the TJPA.

28. Ownership of Results

Any interest of the Attorney or its subcontractors, in deliverables, including drawings, plans, specifications, blueprints, studies, reports, memoranda, computation sheets, computer files (electronic native files) and media, or other documents prepared by the Attorney or its subcontractors in connection with services to be performed under this Agreement, shall become the property of and will be transmitted to the TJPA. However, the Attorney may retain and use copies for reference and as documentation of its experience and capabilities.

29. Works for Hire

If, in connection with services performed under this Agreement, the Attorney or its subcontractors create artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship, such works of authorship shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in such works are the property of the TJPA. If it is ever determined that any works created

by the Attorney or its subcontractors under this Agreement are not works for hire under U.S. law, the Attorney hereby assigns all copyrights to such works to the TJPA, and agrees to provide any material and execute any documents necessary to effectuate such assignment. With the approval of the TJPA, the Attorney may retain and use copies of such works for reference and as documentation of its experience and capabilities.

30. Audit and Inspection of Records

The Attorney agrees to maintain and make available to the TJPA, during regular business hours, accurate books and accounting records relating to its work under this Agreement. The Attorney will permit the TJPA to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. The Attorney shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any governmental agency having an interest in the subject of this Agreement shall have the same rights conferred upon the TJPA by this Section. The Attorney shall include the same audit and inspection rights and record retention requirements in all subcontracts.

31. Omitted

32. Omitted

33. Subcontracting

Subject to specific direction in any NTP, the Attorney is permitted to subcontract portions of this work under this Agreement to the following: _____. The Attorney will be permitted to subcontract additional portions of the work under this Agreement subject to the prior written approval of the TJPA Executive Director. Subcontractors shall be solely responsible to the Attorney throughout the performance of the Services under this Agreement. Assignment by the Attorney of work to subcontractors shall not relieve the Attorney of any obligation to the TJPA for the work performed. The TJPA shall be provided with a copy of each subcontract promptly upon execution. Any agreement made in violation of this provision shall be null and void.

34. Assignment

The Services to be performed by the Attorney are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by the Attorney unless first approved by the TJPA by written instrument executed and approved in the same manner as this Agreement.

35. Non-Waiver of Rights

The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter. There shall be no waiver except in writing, signed by the party to be charged.

36. Omitted

37. Conflict of Interest

Through its execution of this Agreement, the Attorney certifies that it does not know of any fact which constitutes a violation of Section 15.103 of the San Francisco City Charter; Article III, Chapter 2 of San Francisco's Campaign and Governmental Conduct Code; and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and further agrees promptly to notify the TJPA if it becomes aware of any such fact during the term of this Agreement.

- (b). **Violation; liability for unpaid wages; liquidated damages** - In the event of any violation of the clause set forth in paragraph (a) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States for liquidated damages. - (c). **Withholding for unpaid wages and liquidated damages** - The TJPA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such Agreement or any other Federal contract with the same Contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b) of this section.

The following provisions (21-23) apply to Construction Agreements.

21. SEISMIC SAFETY REQUIREMENTS

****** *This provision applies only to Agreements for the construction of new buildings or additions to existing buildings.*

The Contractor agrees that any new building or addition to an existing building that is the subject of this Agreement will be designed and constructed in accordance with the standards for Seismic Safety required in U.S. DOT Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance with such regulations to the extent required by the regulations. The Contractor also agrees to ensure that all work performed under this Agreement, including work performed by a subcontractor, is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

22. BONDING REQUIREMENTS

****** *This provision applies to Agreements for construction or facility improvements. For those Agreements or Subcontracts exceeding \$100,000, however, USDOT may accept the bonding policy and requirements of the TJPA, provided that the TJPA's bonding policy and requirements meet the minimum requirements as follows:*

- (a). A bid guarantee from each bidder equivalent to 5 percent of the bid price. The "bid guarantees" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.
- (b). A performance bond on the part of the Contractor for 100 percent of the Agreement price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the Contractor's obligations under such contract.
- (c). A cash deposit, certified check or other negotiable instrument may be accepted by the TJPA in lieu of performance and payment bonds, provided the TJPA has established a procedure to assure that the interest of USDOT is adequately protected. An irrevocable letter of credit would also satisfy the requirement for a bond.

TJPA requirements regarding payment bonds are more stringent than USDOT amounts stated below. The TJPA requires a payment bond on the part of the Contractor for 100 percent of the Agreement price.

(1). Bid Bond Requirements (Construction)

- (a). **Bid Security**
A Bid Bond must be issued by a fully qualified surety company acceptable to TJPA and listed as a company currently authorized under 31 CFR Part 223 as possessing a Certificate of Authority.
- (b). **Rights Reserved**
In submitting a bid, it is understood and agreed by bidder that the right is reserved by TJPA to reject any and all bids, or part of any bid, and it is agreed that a bid may not be withdrawn for a period of ninety (90) days subsequent to the opening of bids, without the written consent of the TJPA.

It is also understood and agreed that if a bidder should withdraw any part or all of its bid within ninety (90) days after the bid opening without the written consent of the TJPA, shall refuse or be unable to enter into this Agreement, or refuse or be unable to furnish adequate and acceptable Performance Bonds and Labor and Material Payments Bonds, or refuse or be unable to furnish adequate and acceptable insurance, it shall forfeit its bid security to the extent of TJPA's damages occasioned by such withdrawal, or refusal, or inability to enter into an agreement, or provide adequate security therefor.

It is further understood and agreed that to the extent the defaulting bidder's Bid Bond, Certified Check, Cashier's Check, Treasurer's Check, and/or Official Bank Check (excluding any income generated thereby which has been retained by the TJPA) shall prove inadequate to fully recompense the TJPA for the damages occasioned by default, then a bidder agrees to indemnify the TJPA and pay over to the TJPA the difference between the bid security and the TJPA's total damages, so as to make the TJPA whole.

A bidder understands that any material alteration of any of the above or any of the material contained on this form, other than that requested, will render the bid unresponsive.

(2). **Performance and Payment Bonding Requirements (Construction)**

The Contractor shall be required to obtain performance and payment bonds as follows:

(a). Performance Bonds

1. The penal amount of performance bonds shall be 100 percent of the original Agreement price, unless the TJPA determines that a lesser amount would be adequate for the protection of the TJPA.
2. The TJPA may require additional performance bond protection when an Agreement price is increased. The increase in protection shall generally equal 100 percent of the increase in Agreement price. The TJPA may secure additional protection by directing the Contractor to increase the penal amount of the existing bond or to obtain an additional bond.

(b). Payment Bonds

1. The penal amount of the payment bonds shall equal:
 - (i) 50 percent of the Agreement price if the Agreement price is not more than \$1 Million;
 - (ii) 40 percent of the Agreement price if the Agreement price is more than \$1 Million but not more than \$5 Million; or
 - (iii) \$2.5 Million if the Agreement price is more than \$5 Million.
2. If the original Agreement price is \$5 Million or less, the TJPA may require additional protection, as required by subparagraph 1, if the Agreement price is increased.

(3). **Performance and Payment Bonding Requirements (Non-Construction)**

The Contractor also may be required to obtain performance and payment bonds when necessary to protect the TJPA's interest.

(a). The following situations may warrant a performance bond:

1. TJPA property or funds are to be provided to the Contractor for use in performing the Agreement or as partial compensation (as in retention of salvaged material).
2. A Contractor sells assets to or merges with another concern, and the TJPA, after recognizing the latter concern as the successor in interest, desires assurance that it is financially capable.
3. Substantial progress payments are made before delivery of end items starts.
4. Agreements are for dismantling, demolition, or removal of improvements.

(b). When it is determined that a performance bond is required, the Contractor shall be required to obtain performance bonds as follows:

1. The penal amount of performance bonds shall be 100 percent of the original Agreement price, unless the TJPA determines that a lesser amount would be adequate for the protection of the TJPA.

2. The TJPA may require additional performance bond protection when an Agreement price is increased. The increase in protection shall generally equal 100 percent of the increase in Agreement price. The TJPA may secure additional protection by directing the Contractor to increase the penal amount of the existing bond or to obtain an additional bond.
- (c). A payment bond is required only when a performance bond is required, and if the use of payment bond is in the TJPA's interest.
- (d). When it is determined that a payment bond is required, the Contractor shall be required to obtain payment bonds as follows:
 1. The penal amount of payment bonds shall equal:
 - (i) 50 percent of the Agreement price if the Agreement price is not more than \$1 Million;
 - (ii) 40 percent of the Agreement price if the Agreement price is more than \$1 Million but not more than \$5 Million; or
 - (iii) \$2.5 Million if the Agreement price is increased.
- (4). **Advance Payment Bonding Requirements**

The Contractor may be required to obtain an advance payment bond if the Agreement contains an advance payment provision and a performance bond is not furnished. The TJPA shall determine the amount of the advance payment bond necessary to protect the TJPA.
- (5). **Patent Infringement Bonding Requirements (Patent Indemnity)**

The Contractor may be required to obtain a patent indemnity bond if a performance bond is not furnished and the financial responsibility of the Contractor is unknown or doubtful. The TJPA shall determine the amount of the patent indemnity to protect the TJPA.
- (6). **Warranty of the Work and Maintenance Bonds**
 - (a). The Contractor warrants to the TJPA, the architect and/or engineer that all materials and equipment furnished under this Agreement will be of highest quality and new unless otherwise specified by the TJPA, free from faults and defects and in conformance with the Agreement documents. All work not so conforming to these standards shall be considered defective. If required by the Executive Director, the Contractor shall furnish satisfactory evidence as to the kind and quality of materials and equipment.
 - (b). The work furnished under the Agreement must be of first quality and the workmanship must be the best obtainable in the various trades. The work must be of safe, substantial and durable construction in all respects. The Contractor hereby guarantees the work against defective materials or faulty workmanship for a minimum period of one (1) year after Final Payment by the TJPA and shall replace or repair any defective materials or equipment or faulty workmanship during the period of the guarantee at no cost to the TJPA. As additional security for these guarantees, the Contractor shall, prior to the release of final payment, furnish separate Maintenance (or Guarantee) Bonds in form acceptable to the TJPA written by the same corporate surety that provides the Performance Bond and Labor and Material Payment Bond for this Agreement. These bonds shall secure the Contractor's obligation to replace or repair defective materials and faulty workmanship for a minimum period of one (1) year after final payment and shall be written in an amount equal to 100 percent of the Agreement sum, as adjusted (if at all).

23. DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS

**** *This requirement applies to any Agreement for construction greater than \$2,000.***
“Construction,” for purposes of this requirement, includes “actual construction, alteration and/or repair, including painting and decorating.” (29 CFR Section 5.5[a]).

(a). Minimum Wages

- (1). All laborers and mechanics employed or working upon the site of the work that is the subject of this Agreement (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the Project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act [29 CFR Part 3]), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor, regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein, provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

- (2). (A). The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the Agreement shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:
- (i). Except with respect to helpers as defined as 29 CFR Section 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and
 - (ii). The classification is utilized in the area by the construction industry; and
 - (iii). The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and
 - (iv). With respect to helpers as defined in 29 CFR Section 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B). If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within thirty (30) days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C). In the event the Contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within thirty (30) days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D). The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this Agreement from the first day on which work is performed in the classification.

- (3). Whenever the minimum wage rate prescribed in the Agreement for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the Contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.
- (4). If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, provided that the Secretary of Labor has found, upon the written request of the Contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.
- (5). (A). The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the Agreement shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:
 - (i). The work to be performed by the classification requested is not performed by a classification in the wage determination; and
 - (ii). The classification is utilized in the area by the construction industry; and
 - (iii). The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B). If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within thirty (30) days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C). In the event the Contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with thirty (30) days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D). The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(v) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this Agreement from the first day on which work is performed in the classification.

(b). **Withholding** - The TJPA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the Contractor under this Agreement or any other Federal contract with the same Contractor, or any other federally assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same Contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the Contractor or any subcontractor the full amount of wages required by the Agreement. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the Agreement, the TJPA may, after written notice to the Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(c). **Payrolls and Basic Records**

(1). Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the work and preserved for a period of three (3) years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR Section 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section

1(b)(2)(B) of the Davis-Bacon Act, the Contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(2). (A). The Contractor shall submit weekly for each week in which any Agreement work is performed a copy of all payrolls to the TJPA for transmission to the USDOT. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under Section 5.5(a)(3)(i) of Regulations, 29 CFR Part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The Contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B). Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the Agreement and shall certify the following:

- (i). That the payroll for the payroll period contains the information required to be maintained under Section 5.5(a)(3)(i) of Regulations, 29 CFR Part 5 and that such information is correct and complete;
- (ii). That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the Agreement during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR Part 3;
- (iii). That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the Agreement.

(C). The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D). The falsification of any of the above certifications may subject the Contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

- (3). The Contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the USDOT or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the Contractor or subcontractor fails to submit the required records or to make them available, the

Federal agency may, after written notice to the Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR Section 5.12.

(d). **Apprentices and Trainees**

- (1). Apprentices - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first ninety (90) days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the Contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a Contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.
- (2). Trainees - Except as provided in 29 CFR Section 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be

paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the Contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- (3). Equal employment opportunity - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.
- (e). **Compliance with Copeland Act Requirements** - The Contractor shall comply with the requirements of 29 CFR Part 3, which are incorporated by reference in this Agreement.
- (f). **Subcontracts** - The Contractor or subcontractor shall insert in any Subcontracts the clauses contained in 29 CFR Section 5.5(a)(1) through (10) and such other clauses as the USDOT may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier Subcontracts. The Contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR Section 5.5.
- (g). **Agreement Termination: Debarment** - A breach of the contract clauses in 29 CFR Section 5.5 may be grounds for termination of the Agreement, and for debarment as a contractor and a subcontractor as provided in 29 CFR Section 5.12.
- (h). **Compliance with Davis-Bacon and Related Act Requirements** - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this Agreement.
- (i). **Disputes Concerning Labor Standards** - Disputes arising out of the labor standards provisions of this Agreement shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.
- (j). **Certification of Eligibility**
 - (1). By entering into this Agreement, the Contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the Contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR Section 5.12(a)(1).

- (2). No part of this Agreement shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR Section 5.12(a)(1).
- (3). The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. Section 1001.
