

STAFF REPORT FOR CALENDAR ITEM NO.: 8.2
FOR THE MEETING OF: May 14, 2026

TRANSBAY JOINT POWERS AUTHORITY

BRIEF DESCRIPTION:

Approve the Operating Agreement Template forms dated May 1, 2026, Implementing Agency Resolutions of Project Compliance for the allocation of Regional Measure 2 funds in the amount of \$9,186,125 and Regional Measure 3 Funds in the amount of \$4,326,844, and the required Certification of Assurances.

EXPLANATION:

On March 2, 2004, voters passed Regional Measure 2 (RM-2), raising the toll on the seven State-owned toll bridges in the San Francisco Bay Area by \$1.00. RM-2 establishes the allocation of RM-2 funding for the operation and maintenance of the Salesforce Transit Center, as well as the operation and maintenance of the temporary terminal. The amount identified in RM-2 legislation is \$3 million annually, escalated by 3.5 percent annually beginning in July 2004. As of July 2026, the escalated amount is \$6,618,343.

In July 2017, the Metropolitan Transportation Commission (MTC) took action to allocate an additional \$3 million per year, without escalation, to support operations of the Transit Center for an initial five-year period, after which the need for funding would be reassessed. At its May 22, 2024 Programming and Allocations Committee meeting, MTC staff recommended continuing RM-2 operating funding through at least FY 2024-25, at which point the need for ongoing RM-2 Operating support would be reassessed. Following a thorough review of the TJPA's 5-year operating budget outlook to evaluate the financial necessity of continued supplemental RM-2 funding, in May 2025 MTC determined that extending the supplemental funds through FY 2027-28 would effectively mitigate the fiscal burden on transit operators. In April 2026, MTC staff also advised that, similar to the previous several years, they anticipate lower bridge toll revenue available and a reduction to the \$3 million supplemental allocation to the current recommended amount of \$2,567,782. Thus, the total RM-2 allocation is \$9,186,125.

On June 5, 2018, voters passed Regional Measure 3 (RM-3), raising the toll on the seven State-owned toll bridges in the San Francisco Bay Area by \$1 beginning January 2019. Tolls were increased by another \$1 in January 2022, with another \$1 increase implemented in January 2025. The MTC's RM-3 Expenditure Plan identifies annual operating funds for Terminal Operations at the Transbay Terminal, now known as the Salesforce Transit Center, equal to a percentage of the actual bridge tolls collected and not to exceed \$5 million. The FY 2026-27 amount anticipated to be available on a reimbursement basis is \$4,326,844.

MTC requires that TJPA formally request the operating and maintenance funds each fiscal year, via submission of an Implementing Agency Resolution approved by the TJPA Board, an Operating Agreement Template form, and a Certification of Assurances. The Operating Agreement Template forms are based on the FY 2026-27 draft operating budget of approximately \$29.2 million.

The balance of operating expenses not covered by the RM-2 and RM-3 operating allocations will be covered by a combination of lease, sponsorship, and advertising revenues, community benefit district assessments, cellular antennae licensing fees, naming rights fees, and transit operator contributions.

MTC's allocation action is planned for their June 2026 meeting.

RECOMMENDATION:

Approve the Operating Agreement Template forms dated May 1, 2026, Resolutions of Project Compliance for the allocation of RM-2 funds in the amount of \$9,186,125 and RM-3 Funds in the amount of \$4,326,844, and the required Certification of Assurances.

The TJPA will include any Regional Measure 2 funds allocated under the Application in its general audit for the year in which the funds are requested; and be it further

RESOLVED, That the TJPA indemnifies and holds harmless MTC, its Commissioners, representatives, agents, and employees from and against all claims, injury, suits, demands, liability, losses, damages, and expenses, whether direct or indirect (including any and all costs and expenses in connection therewith), incurred by reason of any act or failure to act of the TJPA, its officers, employees or agents, or subcontractors or any of them under the requested allocation of Regional Measure 2 funds in the Application.
